

## **VP Athletics FAQ:**

### **Question 1: Do I have to show up for every intramural game that I signed up for?**

No, however keep in mind that some teams may require a minimum number of guys and girls in order to fully participate. In these cases, it's best to let your teammates know beforehand to avoid having to default.

### **Question 2: All these intramurals look fun, but I am not sure how much I can handle. Do you know generally how many sports students sign up for?**

More information about these events will be coming throughout the year. Look out for updates from your VP Athletics!

### **Question 3: I signed up for intramurals and cannot participate and the deadline to withdraw has passed. Can I get a refund or switch with someone?**
